Issue No. 34: 11 November 2015

FROM THE PRINCIPAL

Canberra Trip
Last week, 46 students from Lindisfarne North spent a whole week in Canberra and Sydney exploring a range of attractions, including Parliament House, Old Parliament House (Electoral education), the Royal Australian Mint and the War Memorial. The week was very busy, but gave students the chance to participate in some fantastic educational experiences. During these activities, students conducted themselves very maturely and represented their school in a most honourable way. We would like to send out a huge thanks to Paul Sayers and Nigel Jones for accompanying the trip and helping out over the five days. Without parent support, these trips are not possible. Staff are already looking at the 2017 trip which needs to be booked shortly. If your child is in Grade 3 or 4 this year, information will come home early next year about the trip.

School Communication
The school is currently investigating a new digital platform which would take the place of our school website, app and newsletter. This would not come into place until next year. It is designed to be an efficient way to keep you all up to date on things happening around the school and to better share information with families in a timely manner. Please keep an eye on upcoming newsletters with more details.

Attendance
Please remember that all students are expected to attend school every day unless they are too unwell to do so. If your child is absent, then please make contact with the school as soon as possible in order to keep our records up to date. If you have any concerns about your child’s attendance, then please talk to your child’s class teacher or myself.

STUDENT ASSISTANCE 2016

The scheme provides assistance for low-income families towards the cost of levies for students enrolled from Kindergarten through to senior secondary level. It is available to students attending a Government or registered Non-Government school or college and those students eligible to pay levies at the Tasmanian Academy or the Tasmanian Polytechnic.

The scheme provides assistance to:
- Full-time students from Kindergarten to senior secondary level in Government and registered non-Government schools whose parents/guardians meet the income test and have care of the student for a minimum of 50% of the time (as assessed by Centrelink).
- Students who are in "Out of Home Care" through the Department of Health and Human Services, Child and Family Services Section.
- Grandparents raising grandchildren.
- Some visa holders may be eligible. For further information contact International Services on (03) 6233 7016.

Income assessment is applied to parents/guardians of dependent students applying for assistance under the scheme. Independent students are required to meet the income test and also provide proof of their independent status. The income test used for the scheme is included on the application form each year.

Application forms are available at the school office. If you were in receipt of STAS for 2015 the Department will contact you directly.
