FROM THE PRINCIPAL

Out of Hours Use
With the weather warming up, it has been fantastic to see so many families making use of school grounds and facilities after school and over the weekend.

When using the school grounds, please be respectful of the area and other people in it by playing safely, supervising your children appropriately, and cleaning up after yourself. School staff have put a lot of hours into developing our school grounds and facilities and will continue to do so into the future.

School Surveys
Thank you to the students and families that completed school satisfaction surveys earlier this year. The combined data, along with staff data, has been returned to the school to be considered as part of the future planning. All feedback from the surveys is completely anonymous, but if you would like to discuss points that you raised in the surveys in greater detail, then please feel free to contact the school via phone or email.

Communication
The school is adopting a new communication platform next year to improve the way we share information with families and the community. This platform also has some opportunities for local businesses to advertise your business alongside the school messages in order to bring the cost down. If you would like to find out more about advertising in this way, please leave your details at the school office and someone will be in contact with you.

FUNDRAISING NEWS
CHRISTMAS HAMPER RAFFLE

With Christmas only a few weeks away now, the School Association is preparing for its fundraising Christmas Hamper Raffle. We need families to donate non-perishable packaged food items (in date) and other new items such as games, puzzles, household items, BBQ equipment, sports gear, books, colouring books, pencils and textas, make up, personal products etc. The idea will be to make up as many hampers as we can so lots of people can take home a prize. Please leave items you wish to donate in the Christmas Raffle Box at the front office.

PLEASE REMEMBER ALL ITEMS ARE TO BE NEW, NOT USED.
