FROM THE PRINCIPAL

Dear Parents

Asthma
If you have not completed an asthma action plan recently for your child, can you please collect one from the office and return it by the start of next term. It is important that our records are up to date to best help your child manage their asthma.

Assembly Yesterday
It was fantastic to see so many parents at our final assembly for the term and share in the achievements of our students. Due to running short on time, some presentations had to be made outside of the assembly. We would like to recognise the following student achievements:

Swimming and Water Safety Program
By the end of Grade 5, students work towards achieving a Swimming and Water Safety benchmark that involves swimming freestyle, breaststroke, survival backstroke and a survival swim. Some of our students have already gone above and beyond this, achieving the following Royal Life Saving results:
Level 4 Holly L, William R
Level 5 Lucy B
Level 6 Tarsha C, Serena G, Lochlan H, Mikaela L, Gabrielle M

Premier's Reading Challenge
This year we had a large number of participants in the Premier’s Reading Challenge, both reading and writing book reviews. The school awards are being presented tomorrow and will be published in next week’s newsletter; a fantastic effort by all of our participants.

Shane Oldfield, Principal
