**Parent Teacher**
It has been fantastic to see so many parents in the school this week for parent teacher interviews. If you have not made a time yet, but still want to see your child’s teacher, please contact the school.

**School Smartphone App**
There has been a lot of positive feedback about a school smartphone app. We have now taken the next step, and will proceed with rolling it out later in the year. The app will enable you to see important school information, retrieve notices and newsletters, and receive notifications about important events. It will be free to parents and community members to download onto any Apple or Android device, as well as being accessible from a website. Thank you to all of those that expressed an interest in using this technology. More information, including times for demonstrations will be available shortly.

**Geilston Bay High School**
The GBHS reference group has completed its meetings. Thank you to parents of Grade 6 students that gave time to come to meetings, and have phone conversations about the school’s future. The GBHS Association will now meet and make decisions about the school’s future.

UNIFORM POOL

The Uniform Pool will not be open on Tuesday 2 July. We apologise for any inconvenience. Should you have an urgent request for uniform items, please ask at the office.

UNIFORM CO-ORDINATOR

We are still looking for someone to take on the role of Uniform Co-ordinator. Mrs Sandra Bennett who currently co-ordinates the Uniform Pool no longer has children at LNPS, and will not continue in the role beyond 2013.

What does the role of uniform co-ordinator involve? Ordering stock, stocktaking, selling uniform for an hour each week and on two uniform sale days in late January, some bookkeeping and the provision of a monthly report to the School Association. Whilst this year the Uniform Pool has been open on Tuesday mornings 8:30 – 9:30am, the day can be changed to suit the new co-ordinator.

There is no regular payment but the School Association pays a small annual gratuity in recognition of the work of the Uniform Pool co-ordinator.

If you are interested, please see Sandra in the Uniform Pool on Tuesday mornings or leave your name and contact details at the office. It would be wonderful to see parents with children in the ECE area take on the role.
