FROM THE PRINCIPAL

Students have made a fantastic start to Term 2. We had 100% participation rate last week during our NAPLAN testing, followed by outstanding participation at the Cross Country Carnival. The Swimming and Water Safety Program is well underway with students already making great progress.

Thanks to the group of parents and community members that supported the cross country through being officials, as well as those that came along to watch. Students that finished in the first six in their race have received a letter today inviting them to participate in the Interschool Carnival on 11 June. Congratulations to these students (listed later in the newsletter). The race will be held at the same location as our school carnival. Our school needs to provide a volunteer to help officiate at the Interschool Carnival on 11 June. If you are able to help out, please leave your name at the office.

Yesterday, Miss Jones and I attended a presentation by Donna Cross – education leader in Bullying and Cyberbullying from Edith Cowen University. The session was very informative and engaging. It provided a range of strategies and supports that we as a school can consider implementing to further address bullying and social skills in students. She also provided a range of strategies that parents can use at home to support students that report being bullied – both in person and online. Later in the term, we will share these with parents, through the newsletter and at sessions at school.

NATIONAL WALK SAFELY TO SCHOOL DAY

Don’t forget it is National Walk Safely to School Day this Friday, 23 May and students can meet Miss Jones (weather permitting) at the corner of Derwent Avenue and East Derwent Highway (near Mundy’s Butchers). She will meet students at 8:30am and leave to walk at 8:40am. This is the same walk that is regularly undertaken on Wednesday mornings.
CROSS COUNTRY

On a beautiful day last Friday we held our cross country carnival. It was particularly pleasing to see the high participation rate among our students. Special thanks to parents who assisted on the day as officials as the day cannot run without this great support.

CITY TO CASINO FUN RUN

On Sunday, 18 May, Jonathon Hill, Henry and Ezra McCracken and I ran in the City to Casino Fun Run. We started at St David’s Park and finished at the Casino (2.5 kilometres). My dad ran with me. We ran and sometimes skipped, jogged and walked because I got a stitch. Close to the finish I ran more and got a stitch again, but I didn’t think about it, I just kept running to the end. I saw Mum and Hugh near the finish and they were cheering us on and Mum took a photo of me. I saw the other boys again at the end of the race. I think all of us did a really good job. Mum said it is about as far as the Grade 6 cross country and I think it is amazing because we are all way younger than them.

ACHIEVEMENTS – PAST STUDENTS

We recently received the following email from Alicia Sargent, College Registrar, Dominic College in relation to past students Sam Bird and Niam Askey-Doran and congratulate them on their achievements.

“Student Leadership at Dominic College

Each year Dominic College appoints a team of student leaders to represent and provide guidance for our students.

Two College Captains and two College Vice-Captains are elected each year along with four House Captains for each of our four houses; Siena, Bosco, Savio and Guzman. There is one House Captain per house for each of the following areas: academic, sports, mission and creative arts. Dominic College also has a Student Representative Council (SRC) made up of one student representative in Year 7, Year 8 and Year 9 from each house who join our four College Captains to form this group.

Lindisfarne North Primary is to be commended that this year two of our leaders are from your school; Niam Askey-Doran (College Vice-Captain and SRC Member) and Samuel Bird (Sports Captain for Guzman House). Niam and Samuel are both outstanding students at Dominic College who have excellent leadership skills.

At Dominic College we are grateful for the important foundation given to students from your school.

Kind regards,
Alicia”
