**FROM THE PRINCIPAL**

**Reports**
Reports have been sent home today with students. Please take the time to talk about the report with your child, and make a time to see your child’s class teacher if you would like to discuss progress. Parent teacher interviews are being held in the first two weeks of Term 3.

**GBHS Update**
Last night a meeting was held to discuss feedback, concerns and benefits of moving to the former GBHS site. At this meeting 24 staff, parents and Association members attended, along with Learning Services South General Manager Judy Travers. At the conclusion of the meeting, the group unanimously passed a motion in support of relocating the school, providing sufficient renovations can be achieved with the budget available. The vast amount of space available inside and out, the capacity for future growth, and the ability to configure learning spaces to suit the needs of our students were all positive factors towards making this decision.

The plans are now being sent back to the architect and the costing team. Once completed, the amended plans will be returned to the school to ensure that the renovation can be completed to a high standard, and with the items included that the school requires to provide a great education to students. If the budget is unable to provide a sufficient renovation, then the move will not go ahead.
Thank you to everyone that has provided feedback, attended sessions, had informal conversations and offered insight into how this move would affect them.

Being mailed home today is a letter outlining this proposal in further detail. Can you please take some time to consider the proposal that has been put forward and passed at the meeting last night. If you DO NOT endorse the proposal, can you please complete the attached slip and return it to school by next Wednesday, 9 July. If you DO support the proposal, then there is no need to return the slip.

End Of Term
Thank you to everyone for your hard work during this very busy term. Please have an enjoyable holiday. School resumes on Tuesday 22 July.

KINDER ENROLMENTS FOR 2015
If you have a child that was born in 2010, please contact the office to complete an intention to enrol form for Kinder 2015. Please pass on this message to family and friends that also live in the area. More detailed enrolment forms and information regarding sessions in 2015 will be sent out later in Term 3.

LOST PROPERTY
There is a large amount of uniform and other miscellaneous items in the lost property area at the foot of the stairs leading to the Library. If your child has lost a clothing item please check. It would also be advantageous for uniform to be named to make for easy return. There are also items of jewellery, house keys, a few toys, wallets and other things at the office, so if your child has lost something important to them, please call to see if it has been handed in.

MOVE WELL EAT WELL – PART WAY IS OK
As part of the ‘Move Well Eat Well – Part Way is Ok’ program, the Wednesday morning walk from outside Mundy’s Butchers (cnr Derwent Avenue and East Derwent Highway) to school, continues to grow in popularity. Thanks to all families who have taken part this term. It is fantastic to see so many students keen to be active before school each Wednesday morning. The walks will continue next term, weather permitting, with students meeting at 8:30am and leaving to walk to school at 8:40am.

ENTERTAINMENT BOOKS
There are 4 entertainment books still outstanding. Could they be returned or payment made please, as we would like to finalise the account. Thank you.
