FROM THE PRINCIPAL

New Site Open Day
This coming Saturday, we will be opening the new building up to our school community before the renovations begin. Between 9:00 and 11:00am on Saturday 20 September the site will be available for you to have a look around, look at the new plans, and talk with staff and association members about the relocation. The main building and playground will be available for the tour. The kinder building is unavailable due to an early start on asbestos removal.

This will be the last opportunity to go onto the site before the tender closes and construction work starts during the school holidays. Because the heating does not come on over the weekend on the site, please come dressed in warm clothes.

Also during this time, the remaining books in the school library will go on sale for $1 each.

The library still has a lot of non-fiction, and upper primary/high school fiction books available.

Corridor Display
Thanks to Mrs Wing for her hard work answering student questions about the relocation of the school. You will find all the answers, along with photos of the SRC visit to the site on the board in the main corridor. Keep adding your questions into the box provided.

Parent Satisfaction Survey
Coming home with the newsletter today is the school satisfaction survey. This year, there is a copy of the survey for every family. The information in the survey is only useful for the school if we have a large number of responses received. It would be appreciated if you could take the time to complete the survey during the next week. If you are unable to complete the survey online, please return your form to school and we can give you a paper copy of the survey to complete.

Pre-Ordering Uniform
Please consider pre-ordering any uniform requirements for 2015. It may be difficult to organise uniform sale days and the opening of the uniform pool at the start of Term 1 2015 with the move to the new site. Pre-order forms are available from the office.

SRC FOOTY COLOURS DAY

Don’t forget it is Footy Colours Day this Friday, 19 September. Dress in your favourite team’s colours, make a donation and support children and teens fighting cancer.

PARKING ISSUES

An officer from the Clarence Council was patrolling the roads surrounding the school yesterday, advising people about parking regulations. Cars are not permitted to park within 10 metres of an intersection (unless otherwise signed), across driveways, on footpaths or nature strips. Time restrictions on any signs in the school vicinity should be strictly adhered to. The no stopping signs mean that cars are not permitted to stop in the area covered by the sign for any reason. The Council officer issued warnings yesterday but indicated that heavy penalties do apply. The officers will be regularly visiting the area over the next couple of weeks, and then on a random basis, as there have been a number of complaints to the Council.

GRADE 6 LEAVERS’ TOPS

Orders for Grade 6 leavers’ tops should be in to the office by Monday 22 September. The sizes of the tops are similar to those available in our Uniform Pool, so please consider that when ordering.

FUNDRAISING NEWS

Order forms for Chalk and Parent Direct Catalogues should be returned with your payment to the office by Friday 26 September. The school will receive 20% of sales. There are additional catalogues at the office if you have misplaced yours.

K1 AND K2 EXCURSION

Kinder 1 and Kinder 2 will be walking to Simmons Park on Wednesday 24 September to celebrate the end of Term 3 and to broaden their experiences. They will have the opportunity to play on new equipment recently installed at the park which has become a popular play area. They will walk to the park at 9:30am and return at 1pm (weather permitting).

LITTLE LEARNERS EXCURSION

Little Learners are going on an excursion to Sandy Bay Park on Thursday 25 September. The bus leaves school at 9am and returns at approximately 11am.

LOST PROPERTY

Please check the lost property area (at the foot of the stairs leading up to the Library) for any items your child may have misplaced. There is an ever growing pile of polar fleeces as well as drink bottles and lunch boxes.

SWIMMING CARNIVAL – THURSDAY 16 OCTOBER

Our swimming carnival will be held on Thursday 16 October, the first week back after the holidays. We do need some helpers so if you can assist, please leave your name and contact number at the office. The following is the schedule for the carnival:

10.40 to 11.40am Grades 5 & 6 races, Grades 3 & 4 novelties
