### FROM THE PRINCIPAL

#### Attendance

Regular attendance at school is crucial in enabling students to build on their current knowledge. It is important that students attend as many days of school as possible in a school year. If your child is unable to attend school for any reason, please make contact with the office on the day of the absence via phone, email or using the school app.

Parents of students that have regular absences can be requested to provide medical certificates to explain absences, as attendance at school for Tasmanian school children is compulsory. If you are concerned about your child’s absences, please talk to your class teacher or call the office.

#### Active After School Communities

It has been fantastic to see so many students keen to participate in another year of Active After School activities. Each session is run by a qualified AASC coach, and our school runs two different activities for 8 weeks each term. We are already looking at booking our coaches ready for Term 2, and would like some feedback from students about what sports they would like to participate in. Please ask them to forward any feedback on to the school office.

If you know of anyone that would like to become qualified as an AASC coach, please visit [http://www.ausport.gov.au/participating/aasc/get_involved/become_a_community_coach](http://www.ausport.gov.au/participating/aasc/get_involved/become_a_community_coach)
