As we move to our new site, we will have even more opportunities available to our students, and I have been amazed by the number of people that have already offered time to support with this process, as well as volunteering to help out with some new learning experiences in the New Year.

**Relocation Update**

The relocation is still progressing well, with many more people on site this week. Areas of the building are now being painted and plastered, and a lot of the big demolition and construction work is finished. The playground is beginning to take shape, with the mountain bike track nearing completion and other work to start soon.

**Reports**

Next week, your child’s end of year report will be sent home. This report is designed to be a brief summary of how your child has progressed throughout the year, with a focus on final assessments against 5 learning areas. After receiving this report, please take the time to read it with your child. If you would like more information on things discussed in the report, please make a time to talk to your child’s class teacher before the end of the school year.

Shane Oldfield,  
Principal

**UNIFORM POOL**

Uniform Pool is closed for sales on Tuesday 16 December. Pick up of pre orders only.
GIVING TREE ASSEMBLY

Our ABC Giving Tree Assembly will be held on Wednesday 10 December at 2pm. Students are asked to bring a small gift to donate on the day (new and unwrapped). It can be suitable for a child or an adult.

Alternatively we will be having a coin line at recess on 10 December and the money will be presented at the assembly. Peter Gee will be coming along on behalf of the ABC to collect our donations.

The scheme provides assistance for low-income families towards the cost of levies for students enrolled from Kindergarten through to senior secondary level. It is available to students attending a Government or registered Non-Government school or college and those students eligible to pay levies at the Tasmanian Academy or the Tasmanian Polytechnic.

The scheme provides assistance to:

- Full-time students from kindergarten to senior secondary level in Government and registered non-Government schools whose parents/guardians meet the income test and have care of the student for a minimum of 50% of the time (as assessed by Centrelink).
- Students who are in "Out of Home Care" through the Department of Health and Human Services, Child and Family Services Section
- Grandparents raising grandchildren
- Some visa holders may be eligible. For further information contact International Services on (03) 6233 7016.

Income assessment is applied to parents/guardians of dependent students applying for assistance under the scheme. Independent students are required to meet the income test and also provide proof of their independent status. The income test used for the scheme is included on the application form each year.

Application forms are available at the school office. If you were in receipt of STAS for 2014 the Department contacts you directly.
