### FROM THE PRINCIPAL

**Uniform**

Wearing uniform to school is an important part of both belonging to a school community, and also safety. When students wear uniform to school, they feel a part of the school community, and feel a sense of belonging. School uniform gives staff a very easy way to identify who is supposed to be on school grounds and who isn’t – making everyone safer.

The School Association has worked together in recent years to ensure that school uniform is appropriate, accessible, and as inexpensive as possible. Uniform sold by the school is done so at close to cost price. Many families have also chosen to purchase non-school uniform items that are still in school colours, but plain and still appropriate. This can be a great way to still show you are a part of the school community.

While we appreciate that things happen which mean a student is out of uniform for a day occasionally, we would like to support families in any way we can. Your support to keep your child in school uniform throughout the year is appreciated.

**Relocation update**

New, more detailed plans are now available in the main corridor at school, showing an even greater layer of detail. These plans have been discussed at staff meetings and School Association meetings during this week, and more minor changes will occur to make the learning spaces more appropriate for our needs.

The plans are still being costed, and it is believed that they will be released to us shortly.

If the relocation is confirmed as achievable within the budget, then we will have another open day on the site shortly to show families in more detail what the school will look like in 2015. Keep an eye on the newsletter for this.

**WORK FROM GRADE 1K**

In the Holidays  
By Lucy

On the second day of the week I went to the pool with Lily and Mollie. Nan took us. We used Lily’s free pass to get in to the pool. We played lots of games. I saw Evan at swimming lessons. I taught myself how to swim. Then we went to Lily’s for a play.

In the Holidays  
By Emma

In the holidays I went to the movies with Megan and Sam, that’s Megan’s mum, she is my mum’s friend. Me and Megan have been friends for 6 years. She met me when I was 2. Sam has brown hair. One time I stayed for a whole day. We watched a Barbie movie and a Tinkerbelle movie too. We played Barbies. We played on her chair, it was fun.
