### FROM THE PRINCIPAL

**Parent Teacher Meetings**
Thank you to all of the families that have taken the time to come and talk with class teachers about students’ progress so far this year. These meetings are another important way of keeping you up to date with the teaching and learning program, as well as you having input into your children’s education.

While the feedback from families that used the online booking system has been generally positive, the number of interviews conducted this year has been lower than normal. If you have any feedback as to the use of the online booking system, the timing of the meetings, or other ideas around parent involvement, then please feel free to contact the school.

While the next parent teacher meetings are not until the end of the school year, please contact the school at any time to make an appointment to catch up with your child’s class teacher if you would like to.

**Car Park**
The new road access should be ready for use by next week. Can students and parents please continue to walk on the grass and footpaths rather than the road when entering and leaving school grounds. Also, just a reminder to travel slowly when driving through the carpark at all times of the day, and only use designated car park spaces. Our school grounds are used by a range of community groups as well as families around the clock, so it is important that we all move safely through the school grounds at all times.

NATIONAL TREE DAY

On Friday 24 July our school participated in National Tree Day. Forestry Tasmania donated some seedlings to our school and the SRC worked with Miss Jones, Mrs McLarin and Mr Ross to plant them in the school yard. A Tasmanian Blackwood has been planted down towards the oval. Some Bottlebrush seedlings and two Morrisby’s Gum seedlings have been planted along the fence line outside Kinder and the parent carpark. We look forward to watching their progress!

1-2-3 MAGIC® & EMOTION COACHING PARENT COURSE

Learn to manage difficult behavior in children 2-12 years old
A three-session program for parents and carers
at Anglicare Tasmania
18 Watchorn Street, Hobart
Tuesday September 1, 8 and 15th
9:30 – 11:30 am OR 6:30 – 8:30 pm

What people are saying:
What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!
I realised quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use.

Who is running it?
The presenters for this course are Gay Bath and Maureen Lowry who have completed Parentshop’s 1-2-3 Magic® & Emotion Coaching Practitioner training. Gay and Maureen are trained teachers and counsellors with a wealth of experience.
