FROM THE PRINCIPAL

Open Morning
Thank you to everyone for taking the time to come along to school this morning to have a tour and attend the assembly. We had more than 50 people in attendance – families, former students and community members. This was a great opportunity to reflect on the major changes that we have made over the past few years, and also to look towards the future and the opportunities that we have before us.

A special thanks to Mrs Moore for sharing with us a welcome to the land, Mr Harris for talking on behalf of the Association, and the students who spoke and performed at the event.

Shane Oldfield,
Principal

SCHOOL BANKING UPDATE

Concerns have been raised regarding the ‘Cosmic Light Beam Torch’ reward item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch. Whilst this reward has been independently tested and deemed to meet relevant product standards the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program.

Parents/Guardians are requested to dispose of any ‘Cosmic Light Beam Torches’ their child may have already received as part of the Rewards Program. Students who have previously received a ‘Cosmic Light Beam Torch’ are welcome to redeem an alternative reward item.
