Issue No. 27: 9 September 2015

FROM THE PRINCIPAL

Playground
Over the last few days our new play equipment has been taking shape. This equipment will be completed by later this week ready for students to use. Please do not allow students to use the equipment outside of school hours while the warning tape is still up, even if the equipment appears finished.

Thanks to the School Association for the large contribution to enable this play equipment to be purchased.

Over the coming months, we will be reinstalling some more of the relocated equipment from the old site, as well as other new features.

Parent Survey
Last week, families were sent home with their newsletter an invitation to participate in the annual parent satisfaction survey. This survey provides important feedback to the school to help with future planning and direction. Please take the time to complete this survey over the coming week as the more data we receive, the more valuable the information for us. If you have lost your invitation, or did not receive one, please contact the school office.

Plovers
We currently have a family of plovers on the area between our oval and the basketball court. While we keep this area clear of students during break times, please be cautious of moving through the school grounds on weekends or outside of school hours.

Shane Oldfield, Principal
LNPS SWIMMING CARNIVAL

Our Swimming Carnival for Grades 3-6 will be held at the YMCA Clarence Pool on Tuesday 15 September between 9:30am and 12:30pm. We are in need of helpers. If you can assist, please leave your name and a contact number at the office. A program has been sent home to students from Grades 3-6 today.

PREP/1 EXCURSION

On Thursday 10 September (weather permitting), the three Prep/1 classes are going to walk to the OHA Football Oval (next to school in de Bomford Lane) as part of our Reduce, Recycle and Re-use work. We will be going between 9:15am and 10:15am. We are going to collect any rubbish from around the oval and take it back to class to sort and classify. Disposable gloves, tongs and plastic bags will be used when picking up the rubbish.

OVERFLOW CAR PARK

Could parents please ensure when using the overflow car park that they leave enough room for other users to exit or enter a parking spot. If necessary, please make another row further back. Today has been an exceptional day for parking with a School Support Teacher meeting occurring at the school.

WOOLWORTHS EARN AND LEARN

As you know, our school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so a big thanks to everyone who supported our school. We're now at the important stage of the program where the Sticker Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. So this week, please send in your Woolworths Earn & Learn Sticker Sheets and any loose Earn & Learn stickers you may have. Every little bit helps. As of last Friday we had 29012 points.
